Introduction.

Unfortunately I am running behind schedule this month, due to some unforeseen circumstances.

August is usually a slow month, most units shutting down for July and August so there is little to report, hopefully this coming month things will improve.

I have been asked to see if I can find one of the KVA large crests that are on the back of the windbreakers, we have a member who is interested in acquiring one,

Applications for the Korean War Veterans of Canada Scholarship closed for this year on August 31st, there were 26 applicants for this year's award. The five successful applicants will be selected in October.

The names of the deceased veterans for August were supplied by Dave Davidson, membership chairman of the Heritage unit, Please ensure that you keep Dave informed on any deaths, and changes of address. It is important that we keep the records up to date. The position of membership chairman , is one of the most difficult in the association

The newsboy ignored him and went on, calling out "Read all about it, Fifty-one people swindled
